

St. James the Great Church will be open for Private Prayer from 10.00am-4.00pm on Sundays & Wednesdays. As the Government's Guidelines make clear, there are many things to consider when re-opening such a building. There is now a designated seating area at the back of the Church, with hand sanitiser available at the door. The rest of the Church is cordoned off and is not to be used at the present time. Re-opening partly depends upon our ability to regularly clean this seating area. If anyone would like to help with this, please contact either of the Churchwardens: John Nettleton (01625) 409026 or Peter Clampett (01260) 223333. The more volunteers we have, the more the Church can be open.
