

12/9/11

Ramp Council (Planning / TPO's etc)
They say the live tree was a TPO.

Spoke Caroline at Highways. She will
set Steve Bettany (or one of his people) to check
the tree and if it's there, to treat it as
necessary. He'll also check the smaller
young tree.

Told them I'm not available ^{after} till 24/9/11.
If I need to contact them, quote ref 3158563
